BACKGROUND

Kevin is the former Senior Vice President of Supply Chain & Logistics and Corporate Sustainability Officer for CVS Caremark (now CVS Health). Prior to joining CVS Caremark, Kevin, a University of Massachusetts graduate, spent 27 years in the CPG food manufacturing arena; most notably as Vice President of Logistics and Customer Support at H.J. Heinz; and Director of Network Design and Implementation at Kraft Foods.

He has served on the Board of Directors for rfxel Corporation and was Chairman of the Board of Directors for Agentrics, an international retail consortium. He is also past Chairman of the Supply Chain & Logistics Committee of the National Association of Chain Drug Stores (NACDS).

Additionally, Kevin is on the Advisory Committee for the MIT Center for Transportation & Logistics and served as Chairman in 2017. He has also served on multiple working committees or the National Academies of Science aimed at safeguarding and sustaining supply chains. He is also the moderator for the annual CSCMP State of Logistics Report in Washington, D.C. Kevin has been a frequent speaker at supply chain conferences in North America, Asia and Europe.

Kevin and his wife Janet currently live in Windermere, FL.
